VIÑA LASTRA WHITE, FROM BODEGAS FERNANDO CASTRO, SILVER MEDAL IN VINALIES INTERNATIONALES

On Friday March 7, it was announced the list of winners.

Viña Lastra White stands with silver medal in Vinalies Internationales. This competition internationally recognized, is organized by the Union des Œnologues de France. This edition has collected 3,500 samples from all regions of the world.

After a selection of grapes, a careful harvest and gentle stripping, Viña Lastra shows a golden, clear and bright yellow. The nose has a very elegant and intense aroma of white and tropical fruit. The entrance is silky and persistence. As a complement to a meal, it is ideal to accompany all kinds of seafood.

Bodegas Fernando Castro began his career in 1850, this makes it one of the most traditional wineries in Valdepeñas. The vision of its directors have made Bodegas Fernando Castro in a large exporting company, currently reaches more than 70 countries.

Located in the main producing area of the world (Castilla - La Mancha), Bodegas Fernando Castro has two processing plants, offering customers excellent white wines, rosés and young reds magnificent, crianza, reserva and gran reserva.
