INTERNATIONAL TROPHY DECANTER ASIA AWARDS

Two bronze medals for Raices Gran Reserva 2010 and Valdemonte 2015 at the end of the harvest campaign 2015/16 at one of the most competitive wine contest, Decanter Asia 2016.

We would like to thank Decanter who year after year encourage the wineries to participate and promote our wines around the world. The international awards are the most pleasant time of our activity as it makes us feel even prouder of our product.

The cellar team trust the Tempranillo grape for red wines. An early-ripening grape with a moderate production output, Tempranillo produces intensely aromatic wines that are ideal for ageing both in the barrel and the bottle.

The Wines of Bodegas Fernando Castro express the personality of a unique region where a climate of extreme temperatures and the special characteristics of the land are ideal for growing high quality vines.
