## Bodegas Fernando Castro and its summer medals

Bodegas Fernando Castro medal panel continues to increase, even during the summer season, right in the middle of the harvest season.

This time two different contests rewards the cellar's wines, Berliner Wine Trophy in its Summer Edition and its European brother Portugal Wine Trophy. Both wine contests are organized by DWM (Deutsche Wein Marketing), with an experience of more than 20 years working in the wine sector.

As the organiser of the Berliner, Asia and Portugal Wine Trophy, the Deutsche Wein Marketing (DWM) guarantees that without exception, the samples submitted will be judged by an independent and international jury of experts according to the guidelines of the OIV. Both competitions are held under the auspices of the International Organisation of Vine and Wine (OIV) and the International Union of Oenologists (UIOE). Therefore, they are considered worldwide among the most influential wine competitions in the wine sector.

Bodegas Fernando Castro has been rewarded with a gold medal at the Berliner Wine Trophy for its best-selling young red wine in Japan, branded Valdemonte. However, the jury gathered in Anadia (Portugal) selected Castillo de Baños Reserva 2013, an oaked wine, obtaining a gold medal at Portugal Wine Trophy 2017 in its IV edition.

It is also worth mentioning 3 more medals obtained in Portugal Wine Trophy, two gold medals for Marques de Campoblanco Gran Reserva 2011 and Reserva 2013, and silver medal for Caballero Medieval Sauvignon Blanc, exclusive brands from Bodegas Fernando Castro's clients.
