LAST SUMMER PRIZES

Bodegas Fernando Castro ends the summer with 4 new medals in Asia.

The Asia Wine Trophy contest has rewarded the winery with 3 medals. Two gold and one silver medal for 3 Grand Reserve wines with Appellation of Origin Valdepeñas. The awarded brands are Montecruz, Venta Real and Raíces.

This contest is the most important in Asia. Each year, judges from the main importing countries of Asia are present and reward the quality of wines in the Asian market, where interest in imported wines is booming.

In parallel, another relevant contest in China, the China Wine & Spirits Awards, has awarded the cellar with one more bronze medal for Decreto Real, exclusive brand of the client.

During last months, Bodegas Fernando Castro has participated in different international competitions of relevance, obtaining medals in several of them.

Among the most important prizes, the Appellation of Origin Valdepeñas Wine Awards stands out. The cellar obtained the first and second prize for Gran Reserva category. Once again, the brands Venta Real got the gold medal and Raíces the silver medal.

And for the second year in a row, the Wine in Box Awards gave a gold medal to a wine packaged in bag-in-box format: a red wine from the brand Salud!. This brand already won a gold medal last year for white wine.

Fantastic achievements that reinforce the growing reputation of Bodegas Fernando Castro in the international contest while the cellar strives to maintain the high standards set in 2017.
