## TRIPLE GOLD MEDAL AT BERLINER WINE TROPHY 2018

The result: award-winning wines with nuances that are worth discovering.

Among more than 6.700 samples tasted in February at the Berliner Wein Trophy, Montecruz Gran Reserva, Raices Gran Reserva and Raices Reserva won the Gold Medal.

The Berlin Wine Trophy is among the most important wine-tasting events anywhere in the world, and is considered to be the largest wine-tasting competition under the patronage of the OIV (International Organisation of Vine and Wine).

Raices Gran Reserva has already scored 85 points at Guia Peñin 2018 tasting panel and it is well expected to increase its medal panel along 2018.

Well-reputed wines are possible due to considerable investment in the vineyards, winery, a united winemaking team and the watchful eye of Mr Castro who ensures that the winery is perfectly placed to succeed into the future.

We are proud for our wine makers and the whole team of Bodegas Fernando Castro!
